## WANTS AND NEEDS

Often items that our members may be able to provide are needed to support our preservation, restoration, and even the railroad's operations. We might be able to help our neighbors of the Rockhill Trolley Museum. Of our 1900+ members we are always amazed by the skills, resources, and connections available to us.

Pallet rack / industrial shelving needed for EBT Foundation. Currently in need of about 6 units of shelving on the order of 120" long, 48" deep, and 120" tall. Donation preferred but low cost second hand may be considered. If available, please contact Andy Van Scyoc via [vanscyoc@gmail.com](mailto:vanscyoc@gmail.com). – *Andy Van Scyoc*
